CONTRACT NO. 6297-93
DODGE AVENUE - NORTH ANTHONY TO WOODWARD - PHASE I (REVOLVING
BARRETT LAW/COIT)

BOARD ORDER NO. 184-91

WORK ORDER NO. 11015

THIS CONTRACT made and entered into in triplicate this 18 day
of AUGUST, 1993, by and between WAYNE ASPHALT &
CONSTRUCTION CO., herein called CONTRACTOR, and the City of Fort
Wayne, Indiana, an Indiana Municipal Corporation, acting by and
through the Mayor and the Board of Public Works, herein called
OWNER;

WITNESSETH, that the CONTRACTOR and the OWNER, for the
considerations hereinafter named, agree as follows:

ARTICLE 1: SCOPE OF WORK

CONTRACTOR shall furnish all labor, material, equipment, tools,
power, transportation, miscellaneous equipment, etc., necessary for
the following:

TO IMPROVE DODGE AVENUE FROM NORTH ANTHONY BLVD TO WOODWARD AVENUE
BY REPLACING CURBS, DRIVEWAY APPROACHES, SUB-SURFACE DRAINAGE AND
STREET RECONSTRUCTION.

All according to Res. No. 6297-93 and do everything required by
this contract and the other documents constituting a part hereof.

ARTICLE 2: THE CONTRACT SUM

The OWNER shall pay CONTRACTOR for the performance of the contract
the unit price sum of \$ 138,694.00. In the event the amount
of work is increased or decreased by OWNER, the contract sum shall
be increased or decreased according to the unit price schedule set
forth in the CONTRACTOR's Proposal.

ARTICLE 3: PROGRESS PAYMENTS AND RETAINAGE

The CONTRACTOR may submit requests for payments no more often than
every thirty (30) days for work performed and accepted under the
contract. If the contractor is in compliance with the provisions
of the contract, the Board will make payments for such work
performed and completed. However, in any such case, the Board will
retain ten percent (10%) of the total amount owing to insure
satisfactory completion of the contract and to insure Contractor's
compliance with the E.B.E. Rider attached to the contract.
Payments to the Contractor are not to exceed 90% of the total
contract amount until the Owner has verified that the Contractor
has made good faith efforts to attain the E.B.E. goal stipulated
in the E.B.E. Rider attached hereto.

If the contract is in excess of \$100,000, the contract will be
subject to the standard Board of Public Works escrow agreement.
However, payment of the final 10% of the total contract amount will
be dependent upon good faith efforts to comply with the E.B.E.
Rider, and subject to appropriate reduction in the event of non-

compliance, as provided in paragraph 6 of the E.B.E. Rider.

ARTICLE 4: ACCEPTANCE AND FINAL PAYMENT

Final payment shall be due at the time the work is fully completed and accepted and the contract, including the E.B.E. Rider, is fully performed. Payments to the Contractor are not to exceed 90% of the total contract amount until the Owner has verified that the Contractor has made good faith efforts to attain the E.B.E. goal stipulated in the E.B.E. Rider attached hereto.

Upon filing of a **Completion Affidavit** by the **CONTRACTOR** that the work is ready for final inspection and acceptance, the **Board of Public Works** will direct the **Engineering Department** of the **OWNER** to promptly make such inspection and will direct the **Contract Compliance Department** of the **OWNER** to make a final recommendation on whether the **CONTRACTOR** made good faith efforts to attain the E.B.E. goal stipulated in the E.B.E. Rider.

When the **Engineering Department** finds the work acceptable under the contract, and the contract is fully performed, it shall so inform the **Board of Public Works**. Likewise, when the **Contract Compliance Department** determines that the **CONTRACTOR'S** efforts constitute good faith efforts to attain the E.B.E. goal as agreed in the E.B.E. Rider, it shall so inform the **Board of Public Works** through an **E.B.E. Compliance Final Report**.

Upon receiving both the **Engineering Department's** and the **Contract Compliance Department's** recommendations, the **Board of Public Works** shall issue a final certificate stating the work provided for in this Contract has been completed and accepted, and further stating that the E.B.E. Rider goal has been met. Thereupon, the entire balance of the Contract sum shall be due and payable to the **CONTRACTOR**; provided only that the **CONTRACTOR** shall first furnish **OWNER**, if requested to do so, satisfactory evidence that all persons who have supplied labor, material or equipment for the work have been fully paid, and all required manpower utilization reports for this project have been submitted.

In the event that the **Board of Public Works** determines that good faith compliance with the E.B.E. Rider has not occurred, appropriate reduction in the final payment will be made, pursuant to paragraph 6 of the E.B.E. Rider attached hereto. Said amount shall be added to the City of Fort Wayne E.B.E. Bond Guarantee Fund and contractor agrees to accept the reduced amount as full payment under the terms of his/her contract.

If the contract is in excess of \$100,000, the contract will be subject to the standard Board of Public Works escrow agreement. However, payment of the final 10% of the total contact amount will be dependent upon good faith efforts to comply with the E.B.E. Rider, and subject to appropriate reduction in the event of non-compliance, as provided in paragraph 6 of the E.B.E. Rider attached hereto.

ARTICLE 5: WORKMEN'S COMPENSATION ACT

The CONTRACTOR will furnish immediately a certificate from the Industrial Board of the State of Indiana, that he has complied with the Workmen's Compensation Act in accordance with Statutes of the State of Indiana and Ordinances of the City of Fort Wayne.

Any judgment rendered against the City of Fort Wayne in any suits for damages for injury to real or personal property, or for any injury sustained by any person growing out of any act or doing of Contractor, or its agents, employees or workmen or any judgment of any court or award or any Board of Arbitrators or of the Industrial Board of the State of Indiana rendered against the City of Fort Wayne in any suit or claim arising under said Workmen's Compensation for accidental injuries or death suffered by his employees or the employees of any Subcontractor or Subcontractors in the course of their employment, when notice of the pendency of such suit, hearing or arbitration shall have been given said CONTRACTOR, shall be conclusive against CONTRACTOR as to amount, liability and all other things pertaining thereto; it being the intent of the parties hereto that CONTRACTOR indemnify and hold harmless OWNER in the premises.

Special Ordinance No. _____.

E.B.E. RIDER

THIS AGREEMENT made and entered into by and between the CITY OF FORT WAYNE, hereinafter referred to as "Owner", and WAYNE ASPHALT & CONSTRUCTION CO., hereinafter referred to as "Contractor",

WITNESSETH:

WHEREAS, Contractor is the apparent low bidder on construction project commonly referred to as the DODGE AVENUE STREET RECONSTRUCTION - PHASE I,

which project was bid under Resolution Number 6297-93; and

WHEREAS, Contractor agrees that the goal for qualified Emerging Business Enterprises, hereinafter sometimes referred to as "E.B.E.'s" as subcontractors on this project is 10 % of the contract amount; and

WHEREAS, Owner has, pursuant to Executive Order 90-01 (as amended 12/19/91), adopted a goal of at least 10% of the contract amount to Emerging Business Enterprises as defined under said Executive Order; and

WHEREAS, said Executive Order states:

"Section 2, Paragraph C. Each contractor shall be required to make a good faith effort to subcontract 10% of the contract amount to Emerging Business Enterprises on each construction contract he/she is awarded. In the event a contractor is unable to subcontract 10% of the contract amount or secure the services of an Emerging Business Enterprise, he/she will be required to submit a completed Request for Waiver form on which he/she will provide a written description of the efforts taken to comply with the participation goals."

NOW, THEREFORE, in consideration of the foregoing and of the

mutual agreements hereinafter contained, the sufficiency of which consideration is hereby acknowledged, the parties hereto agree as follows:

1. Conditional Award: Subject to approval by the Common Council of the City of Fort Wayne as stipulated in the construction contract to which this Rider is attached, Owner awards the construction contract to the Contractor.

2. E.B.E. Retainage Requirements: If the contractor is in compliance with the provisions of the construction contract to which this Rider is attached, the Owner will make payments for such work performed and completed. However, in any such case, the Owner will retain ten percent (10%) of the total amount owing to insure satisfactory completion of the contract and to insure contractor's compliance with this E.B.E. Rider. Upon final inspection and acceptance of the work, and determination by the Fort Wayne Board of Public Works that the contractor has made a good faith effort to subcontract 10 % of the contract amount to emerging business enterprises, the contractor will be paid in full.

In the event there is a determination that good faith compliance with this E.B.E. Rider has not occurred, appropriate reduction in the final payment pursuant to paragraph 6 of this E.B.E. Rider will be made.

If the contract is in excess of \$100,000, the contract will be subject to the standard Board of Public Works escrow agreement. However, payments to the CONTRACTOR are not to exceed 90% of the total contract amount until the OWNER has verified that the CONTRACTOR has made good faith efforts to attain the E.B.E. goal stipulated in this E.B.E. Rider. Payment of the final 10% of the

total contract amount will be dependent upon good faith efforts to comply with this E.B.E. Rider, and subject to reduction in the event of non-compliance as provided in paragraph 6 of this E.B.E. Rider.

3. Request for Waiver: If at the time final payment application is made, contractor has not attained the 10 % E.B.E. goal, contractor shall file with the final payment application a "Request for Waiver". Said Request for Waiver shall contain a written description of the efforts taken by Contractor to attain the 10 % E.B.E. goal.

4. Determination of Waiver Requests: The Contract Compliance Department of the City of Fort Wayne shall examine all Requests for Waiver to determine if Contractor's efforts constitute good faith efforts to attain such goal and shall submit recommendations concerning said Requests for Waiver for the final determination of the Board of Public Works of the City of Fort Wayne.

5. Good Faith Per Se. In any case, a Contractor shall be deemed to have made good faith efforts at compliance where E.B.E.'s have been subcontracted for every sub-contract for which there are qualified E.B.E.'s available.

6. Consequence of Non-Compliance: In the event the Board of Public Works approves a recommendation that contractor failed to make good faith efforts at compliance, the contract shall be reduced by the amount calculated as the difference between 10 % and the percentage level met. Said amount shall be added to the City of Fort Wayne E.B.E. Bond Guarantee Fund and contractor agrees to accept the reduced amount as full payment under the terms of his/her contract.

7. Waiver Approved: In the event the Board of Public Works determines that a good faith effort to comply with this E.B.E. Rider has been made, the contract shall not be reduced, and the balance owing to the contractor shall be paid in full.

IN WITNESS WHEREOF, the parties have executed this E.B.E. Rider this 18 day of AUGUST, 1993.
